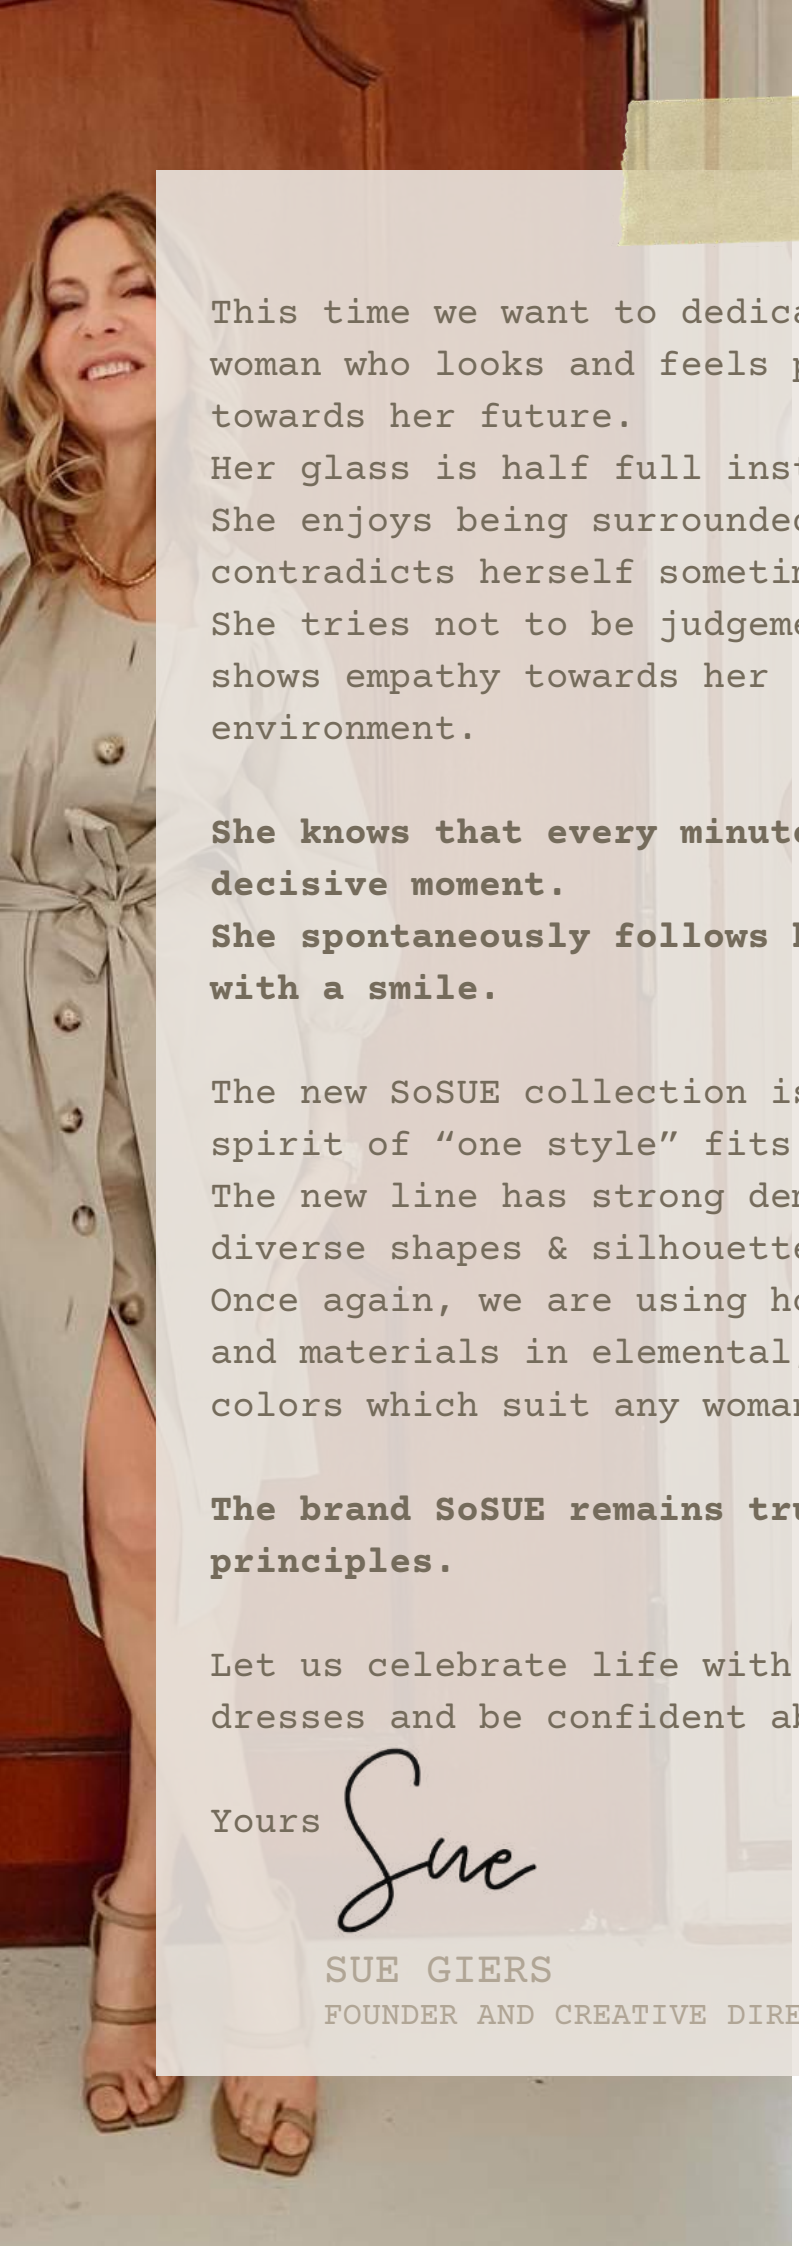
SoSUE



This time we want to dedicate our new pieces to the woman who looks and feels positive towards her future.
Her glass is half full instead of half empty.
She enjoys being surrounded by diversity and even contradicts herself sometimes.
She tries not to be judgemental but open minded and shows empathy towards her environment.

She knows that every minute in life can be a decisive moment.
She spontaneously follows her crazy inspirations with a smile.

The new SoSUE collection is fearless and in the spirit of “one style” fits all.
The new line has strong democratic roots made to fit diverse shapes & silhouettes.
Once again, we are using honest and natural fabrics and materials in elemental, earthy colors which suit any woman at any age.

The brand SoSUE remains true to itself and its principles.

Let us celebrate life with our new SoSUE favorite dresses and be confident about the future.

Yours Sue
